NORTHLAND TOTARA WORKING GROUP & TANE'S TREE TRUST

Totara Field-day 23rd November 2016

Tōtara for timber + biodiversity + riparian management!

See regenerating totara being used for multiple benefits on a dairy-farm. See trees ready for harvest. See young stands under management.

Hear how management can enhance biodiversity and riparian areas. Hear the latest on the legal issues around milling tōtara. Hear about initiatives to develop a regional industry.

Discussion, in the field, on all the issues!

Who: Everyone interested in totara and land-management (e.g landowners, farm-foresters, land management agencies/consultants, environmentalists, timber industry – anyone.

Where: Rehford farms Ltd. 1792 Mangakahia Road, (approx. 3km north of Titoki and about 35mins drive from Whangarei). Follow the field-day signs!

When: 10:30am-2pm, Wednesday the 23rd November 2016

N.B. - Bring a drink, raincoat and gumboots (& 4wd if you have one). Sausage sizzle provided!

Contact: Paul Quinlan for more details: (pdq@pqla.co.nz or ph. (09) 4050052)
