New Zealand

40 yrs of Farm Forestry at Bellamy's. Plus policy keynote. 17 Feb 2024

Programme;

- 10am Introduction and story by Paul & Rita Bellamy. Their 40 year journey with trees/ woodlots.
- 10.30 Walk past assorted ornamentals and walnuts to some mature Eucalyptus regnans. Jeff Tombleson will talk about PSP's, and how to count sequestered carbon.
- 11am Walk past Paulownia to young second generation pine. Talk on silviculture by Nathan Fogden Contracting about establishing production woodlots and forest.
- 11.30 Walk to pair of large redwood trees. Talk about alternative species, natives by Paul and Rita. Why they've chosen what to plant and where. Right plant right place Bellamy style. Firewood growing, processing and selling.
- 12 midday Basic BBQ lunch supplied, RSVP required mlnewnham@gmail.com needed for catering.
- 1pm **Policy update Hon Todd McLay or rep, BOPRC policy update Councillor Jane Nees.**
AGM BOP branch – please join NZFFA. <https://www.nzffa.org.nz/>
- 2pm Thanks & windup. Walk further around farm and/or talk/ home if desired.

Note; Please RSVP to mlnewnham@gmail.com
